Purpose and Objectives:

- a. The purpose of this MOU is to outline the framework for collaboration between Jyothi Engineering College and Cedicom Electronics.
- b. The objectives of this collaboration include, but are not limited to:
 - Enhancing the educational experience of our students through industry exposure and practical training.
 - Facilitating knowledge exchange and research collaboration between our institution and your industry.
 - Promoting professional development opportunities for faculty and staff.
 - Identifying and addressing industry needs through joint projects, initiatives, and programs.

Scope of Collaboration:

- a. Jyothi Engineering College and Cedicom Electronics agree to explore and collaborate on initiatives such as:
 - Internship, Industrial Training and co-op programs for students and faculty.
 - Joint research and development projects.
 - Industry expert guest lectures, workshops, and seminars.
 - Curriculum development and review to align with industry requirements.
 - Sharing of resources, facilities, and equipment where feasible and mutually agreed upon.
 - Other mutually agreed-upon activities that contribute to the objectives of this collaboration.

Responsibilities of Each Party:

- a. Jyothi Engineering College agrees to:
 - Designate a liaison officer to coordinate activities and serve as the primary point of contact.
 - Facilitate student participation in industry programs and initiatives.
