## 18th GRADUATION CEREMONY

## UNION INAUGURATION

### KARTHAVYA HACKATHON

The All India Project Competition was held at Jyothi Engineering College on the 1st, 2nd, and 3rd of December. This event was organized in collaboration with the Kerala Sanitation Mission, Thrissur Zilla Panchayat, Startup Mission Kerala, and Kila. The competition was inaugurated by K. Manoj, the District Coordinator of the Information Kerala Mission. Speakers at the event included Thrissur District Panchayat member Akhila Haridas, project coordinator of Kila, program coordinator Nice Menachery, and Dr. C. V. Biju, who discussed safe waste disposal methods. Students from over 50 colleges across various states participated in the competition. Additionally, Kila conducted classes on innovative solid waste disposal techniques.

### PLACEMENT ORIENTATION PROGRAMME

A Placement Orientation Program was conducted on Tuesday 14.11.2023 for final year students under the leadership of AISAT India and Capabl Company. Capabl Company CEO Mayank Arora gave necessary instructions to the students.

### CIVIL ENGINEERING ASSOCIATION INAUGURATION

Civil Engineering Department and ISTE (Student Chapter) jointly inaugurated the Civil Engineering Association on November 15. Chennai Shyam Steel Industries Limited Technical Assistant Manager Shri. Jithin T. J. was the chief guest of the event, who was a former student of Jyothi. Jithin's lecture was inspiring to the students.

### NASA SPACE APPS CHALLENGE

Jyothi Engineering College, Cheruthuruthy, has been selected as a centre for the Nasa International Space Apps Challenge Hackathon to be held on Saturday and Sunday. According to the college authorities, about 3,750 participants have registered for the Hackathon here, and this is the highest number in any single centre across the world. The centre in Cairo in Egypt where about 2,300 participants have registered comes second. As many as 13 space organizations from different countries, including Isro, are collaborating to conduct the Hackathon to be held in about 400 plus centres in 165 countries on the same days. Fr. Jose Kannampuzha, the academic director of the college, said. He said the Nasa website has listed 30 challenges that the participants have to face. They can select one challenge and give creative suggestions to address it. A 50 member jury drawn from organizations like Kerala Startup Mission, Kerala State Council for Science,

Technology and Environment (KSCSTE), and Kerala Knowledge Economy Mission (KKEM) has been formed to select the best among the suggestions put forward by the participants, Fr. Jose Kannampuzha said. Three responses selected by the jury from the college will receive global nominations.
