19. Best Practices adopted, if any

- **FabLab:** Jyothi Engineering College has started a mini Fabalab (mini fabrication laboratory) with support of APJ Abdul Kalam Technological university and Kerala Startup Mission(KSUM) in the college campus. JECC Mini Fablab is the one of the first 20 mini fablab in kerala. Each Mini fablab contain machineries, tools and consumables cost of 50 lakh Indian rupees. All the equipments are imported from fablab foundation USA and equipments delivered in our college on May first week First phase of training program held at Trivandrum Fablab for the mini fablab staff on December 2016. A fablab graduate assigned by fablab foundation can only authorize to install the equipments. JECC fablab installed by Mr Louies (Portugal Fabalab) and KSUM staff.
- **EFLI:** English Language Foreign Institute (EFLI) is an authorised centre of Cambridge English and an off-campus institute of Jyothi Engineering College, Cheruthuruthy. Learning English is more than just exams and grades. It's about having the confidence to communicate and access a lifetime of enriching experiences and opportunities. With right support, learning a language is an exhilarating journey. We, Jyothi Engineering College (JEC) in collaboration with Cambridge Assessment English (CAE) offer different courses for all levels of English language learners. We are there with learners, every step of the way.
- **Green Campus:** Eco-Friendly Campus with many species trees and 9 different species of bamboo.
- **Tharang:** is one of Kerala's largest techno-cultural fest conducted annually by the students of Jyothi Engineering College, Thrissur. Tharang, since its inception has evolved into one of the biggest attractions for tech-wits and creative minds from across the state.
- **ET Lab:** We have an in-house semi automated campus management system which helps an engineering college to achieve its mission and vision. Parents can access it and monitor their children using the password given to each student.
- **Academic Retreats:** An annual exercise is undertaken to step back, reassess, and rejuvenate the academic culture of JECC. Through Academic Retreat we evaluate our successes and failures of the previous year, assess our strengths and weaknesses, redefine our goals for next one year, and chalk out future goals. The retreat is held annually within or outside the campus.
