Minutes of First-Class Committee Meeting S6 B. Tech Civil Engineering (2021-25)

The first-class committee meeting for S6 B. Tech in Civil Engineering was conducted on 14/02/2024 at 3:10 P.M. in the department Library to look into the academic activities for the running semester which started on 29/01/2024.

The chairman welcomed faculty and students to the meeting. The SFA requested for discussion on any concerns or suggestions for improvement on the conduct of classes and for improvement of results.

The following points were conveyed and discussed in the meeting.

Subject	Points Discussed	Responsible Person	Remarks
CET 302	The faculty emphasized the importance of the subject, which primarily deals with numerical concepts. They stressed the need for students to dedicate effort to solving problems rather than relying solely on reading. Students expressed satisfaction with the teaching method.	Mr Suhas Nair	Module 1 has concluded; and a module test has been scheduled. Module test scores will contribute to the assignment grade.
CET 304	The faculty noted that this subject is more theoretical, advising students to delve deeper into the textbook for a better understanding. Students reported that classes are progressing well.	Ms Anna Joseph 	Module 1 has been completed, and plans include one assignment and one module test.
CET 306	Faculty stressed the importance of students dedicating more effort to solving numerical problems and preparing at home. She also raised concerns about students using phones during class. Both faculty and students were satisfied with the teaching approach.	Dr. JOSE P THERATTIL Principal Jyothi Engineering College Cheruthuruthy - 679531 Ms Soorya M Nair	Module 1 has concluded, with a module test scheduled for the upcoming week and a separate assignment planned.

General Discussion

Student's comments

- Students are seeking a reduction in the speed at which certain faculty members deliver their lectures especially mathematics.
- Due to lab examinations, subject classes are experiencing slight delays.

Faculty comments

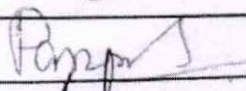

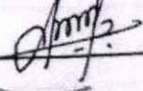

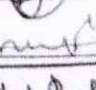

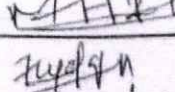

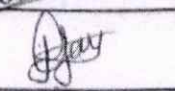

- Students have been instructed to practice problems in Mathematics daily.
- All students are asked to take hard copies for studies.

General Comments:

- The idea of flipped classrooms for challenging subjects was recommended.
- Encourage students to wear proper uniforms with ID card and enter class on time.

CLASS COMMITTEE

S4 AD

ACTION REPORT based on the meeting dated 07.02.24

The action taken report as well as observation in respect of the concerns expressed by the students of S4 AD with reference to the class committee meeting held on 07-02-2024 is listed as follows.

Observation:

The committee observed that the students exhibited significant involvement and eagerness during the meeting. The course has been unable to progress according to the original plan due to numerous hours lost to laboratory exams. Consequently, assignments and class tests have either not been completed or are delayed.

Key issues raised:

Sl. No.	Concerns on Key Issues	Action Taken
1	Academic related	<ul style="list-style-type: none">Informed faculties to slow down lectures and share vital notes with students for improved comprehension.To overcome the delays caused by lab exams, we can adjust the course schedule and prioritize essential content, offering additional support so that students can catch up and meet learning objectives effectively.Requested faculty members to expedite the completion of module tests.

General Discussion

Student's comments

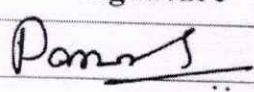

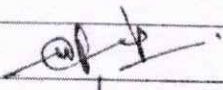

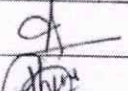

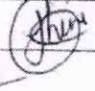

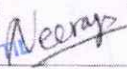

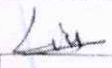

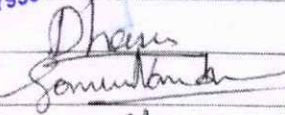

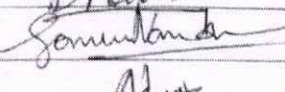

- Students were fine with the ongoing classes and classes are going smooth
- Very difficult to attend the lab sessions on afternoon due to heat wave condition

Faculty comments

- All students are asked to take hard copies for studies.
- Students are insisted on wearing the ID card and stick on the strict timing
- Focus on the previous question paper for the university exam
- Focus on the problem-based subjects especially Statistical Modeling
