*NBA reaccredited BTech Programmes in Civil Engineering, Computer Science and Engineering, Electronics and Communication Engineering, Electrical and Electronics Engineering and Mechanical Engineering valid till 2025

ONAM CELEBRATION REPORT 2023

The Onam Celebrations for the year 2023 unfolded over two days, on 25th and 26th August, creating an atmosphere of joy and cultural vibrancy within the college community. The event commenced with an energetic Nashik band performance, setting a lively tone for the festivities. The official launch of the event logo by the esteemed Academic Director, Fr. Jose Kannampuzha, marked a momentous beginning, symbolizing the spirit of Onam.

Day one continued with traditional games, including Uriyadi and Vadamvali competitions, fostering camaraderie and friendly competition among participants. These activities not only showcased the rich cultural heritage but also provided an opportunity for the community to come together in celebration.

The second day featured a grand Sinkarimelam procession from the college gate to the Amphitheatre, led by the symbolic figure of Maveli. This procession added a touch of grandeur and cultural significance to the event, capturing the essence of Onam. Following this, the Pookkalam competition transformed the Auditorium into a canvas of vibrant colors, displaying the artistic talents of the participants.

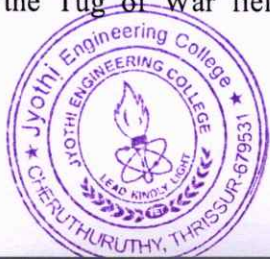

Students demonstrated their artistic talents through a diverse range of cultural performances, adding an extra layer of enthusiasm and creativity to the event. Additionally, the faculty's Thiruvathirakali performance brought a unique blend of tradition and faculty-student camaraderie to the celebration. The faculty's participation served as a source of inspiration for students and further emphasized the inclusive and collaborative spirit of the Onam Celebrations. O

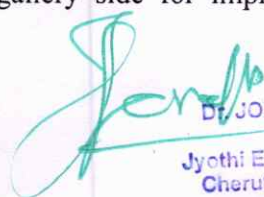

Cultural programs entertained the audience, creating moments of joy and celebration. The distribution of traditional Paayasam added a sweet note to the overall cultural experience, contributing to the festive atmosphere. The anticipation and excitement reached a peak during the result announcement and prize distribution for the Pookkalam competition, recognizing and rewarding the exceptional creativity displayed by participants.

The Onam Celebrations'23 concluded on a high note with a spirited Sinkari Melam performance at the Amphitheatre. This musical finale left attendees with a lasting impression of the cultural richness and unity celebrated during the event.

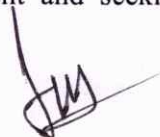

The post-event feedback has been overwhelmingly positive, highlighting the success of the Onam Celebrations '23 in creating memorable experiences and celebrating the spirit of Onam within the college community.

During the debriefing session, the convenor commenced by commending the successful execution of the Onam celebrations. Discussions revolved around optimizing event logistics, including relocating the Tug of War field to the gallery side for improved management and seeking

professional input on ground conditions. Students advocated for the inclusion of Tug of War competitions for girls, and the convenor emphasized the need to decide on conducting Pookala Malsaram in the next year with a focus on time management. The importance of grassroots coordination and leadership was stressed for future events. Students suggested extending the Onam celebrations throughout the day to enhance participation, while concerns were raised about the perceived low enthusiasm among students, prompting the need for strategies to boost engagement in upcoming events.
