Final Score	647.34

Remarks based on the output

- C1.** Good to see that you are progressing on student performance. Work hard for yourself and your own goals. Then progress is inevitable.
- C2.** Your attempt in improving Teaching Learning activities is progressing. The 6 E's and S (Engage, Explore, Explain, Elaborate, Evaluate, Extend, and Standards) lesson plan format might help you achieve your goal. All the best!
- C3.** You are on the right track. Take action on your negative feedbacks and know more about vague feedbacks. We are confident that you will progress. Good luck.
- C4.** Your peers hold you in high regard, which is a testament to your professionalism and collaboration skills. Keep up the excellent work!
- C5.** You are improving in scholarly activities. Make measurable progress in reasonable time and you will be the best. Keep moving.
- C6.** You are making solid progress in your contributions to the department / institution / and/or society. Keep working towards measurable improvements, and you will achieve even greater success. Stay consistent in your efforts, and you will play an increasingly impactful role.
