

ANNUAL REPORT OF JYOTHI ENGG COLLEGE

FOR THE ACADEMIC YEAR
2023-24

President of the function Fr. Thomas Kakkassery, Executive Manager of Jyothi Engineering College, Chief Guest Er. Christo George, Chairman & Managing Director, Hykon India Ltd., other dignitaries on and off the dais, dear colleagues, and my dear students.

I feel honoured and privileged to present the Annual Report of Jyothi Engineering College for the academic year 2023-24. Major events will only be highlighted here, and a detailed annual report will be published in the college magazine.

I am delighted to announce that Jyothi Engineering College is one of the engineering colleges in the state accredited with an 'A' grade by NAAC, with six of our undergraduate programs accredited by NBA. Recently, our Mechatronics Engineering branch has also been accredited by NBA up to 2026.

Jyothi Family

Jyothi Engineering College maintains high standards of education with an emphasis on holistic excellence by providing good academic facilities, employing highly qualified and experienced faculty members, and creating an ambiance conducive to quality education to fulfil our motto "creating technology leaders of tomorrow."

Presently, we offer 8 undergraduate batch programs with an annual intake of 600 students, 5 postgraduate M.Tech programs with an annual intake of 42 students, and Ph.D. programs. As of now, we have 1721 students, 137 well-qualified faculty members, and 60 non-teaching staff on the roll.

PTA

The Parent Teacher Association of Jyothi Engineering College is very active and plays a vital role in creating a well-disciplined environment inside the campus. Adv. Biju Kundukulam and Mrs. Hairunnissa Khader were elected as the PTA President & Vice President respectively, and their team frequently interacts with the institution for its smooth functioning. They have instituted cash awards and endowments for needy, meritorious students.

Academic Activities

This academic year has also witnessed a steady improvement in all areas, including infrastructure, academics, extracurricular activities, and placements in our college.

- The Induction ceremony of the 22nd batch of B. Tech. aspirants and 12th batch of M.Tech aspirants was held on 4th September 2023.
