Tharang 23 V2.0 Program Report: Jyothi Engineering College Techno-Cultural Fest

Event Date: *10th and 11th November 2023*

Tharang 23 V2.0, the Techno-Cultural Fest of Jyothi Engineering College, unfolded as a spectacular two-day extravaganza on the 10th and 11th of November 2023. The festival showcased the fusion of technical innovation and cultural vibrancy, providing a platform for students to exhibit their talents and creativity.

Technical Events:

Artificial Intelligence & Data Science   Department (AD):

- AI Metaverse (10th Nov 23): The AD department kicked off Tharang with 'AI Metaverse,' an event delving into the exciting realm of artificial intelligence and the metaverse. Students explored the potential of AI in shaping virtual worlds.

Civil Engineering Department (CE):

- Build-U (10th Nov 23): CE presented 'Build-U,' a technical event focusing on construction and design. It engaged participants in challenges related to structural engineering and architectural creativity.

Computer Science and Engineering Department (CSE):

- In the Loop (10th Nov 23): CSE's 'In the Loop' delved into the intricacies of coding and software development. The event explored the latest trends and innovations in the ever-evolving world of programming.

Electronics and Communication Engineering Department (ECE):

- National Workshop - Industrial Workshop (7th Nov 23): ECE organized a pre-fest workshop on industrial applications, setting the stage for deeper insights into the field.

Electrical and Electronics Engineering Department (EEE):

Mechanical Engineering Department (ME):

- Go Kart (10th & 11th Nov 23): ME took the thrill to the tracks with 'Go Kart,' spanning across both days. Additionally, 'Createx,' an online technical event, unfolded on the 8th of November, testing participants' creativity and problem-solving skills.

Mechatronics Engineering Department (MR):

- Idea Pitching (7th Nov 23): MR initiated Tharang with 'Idea Pitching,' encouraging students to present innovative concepts. The department also hosted 'Tech Talk' on the 10th of November, bringing industry experts to share insights.

Non-Technical Events:

Artificial Intelligence & Data Science Department (AD):

- Razzle Dazzle: AD organized 'Razzle Dazzle,' a non-technical event focused on cultural expression and entertainment.

Civil Engineering Department (CE):

- Stage Program - Stand-up Comedy, Beatbox: CE added a cultural touch with stand-up comedy and beatbox performances. The department also conducted non-technical events like 'Treasure Hunt' and 'Carn-evil,' bringing fun and excitement.

Computer Science and Engineering Department (CSE):

- Lazer Tag 2.0: CSE blended technology with recreation through 'Lazer Tag 2.0,' offering an immersive gaming experience. The department also organized 'Unplugged Sessions' and 'Upshaq' for a cultural infusion.

Electronics and Communication Engineering Department (ECE):

- Blast Mohan, Equinox, Melo Fiesta: ECE curated a series of cultural events like 'Blast Mohan,' 'Equinox,' and 'Melo Fiesta,' showcasing the diverse talents of students.

Electrical and Electronics Engineering Department (EEE):

- Treasure Hunt, Thekkini, Stand-Up Comedy - Voice of Annakutty: EEE engaged participants with a variety of events, from adventurous 'Treasure Hunt' to cultural expressions in 'Stand-Up Comedy - Voice of Annakutty.'

*Mechanical Engineering Department (ME):*

- Motor Show, Bike Stunt, Maya: ME thrilled the audience with a 'Motor Show' and 'Bike Stunt,' showcasing engineering marvels. 'Maya,' a cultural event, added a touch of creativity.

Mechatronics Engineering Department (MR):

- Bike Stunt, Mechatronics Binale: MR brought adrenaline to Tharang with 'Bike Stunt' and 'Mechatronics Binale,' blending mechanical innovation with entertainment.

Common Events:

- Nrithya - All India Dance Fest (10th Nov evening): The festivity continued with 'Nrithya,' an All India Dance Fest, celebrating the rich cultural diversity through captivating dance performances.

- Shrishti - Project Exhibition for College and School Students: 'Shrishti' showcased the innovative projects of college and school students, fostering knowledge exchange and collaborative learning.

- Proshow - Musical Extravaganza: The fest concluded with 'Proshow,' a musical extravaganza featuring a band performance by "MCUBE" and DJ set by SIXEIGHTH on the 11th of November evening.

Conclusion:

Tharang 23 V2.0 was a resounding success, seamlessly blending the technical prowess of students with a vibrant cultural celebration. The event not only provided a platform for showcasing academic excellence but also created an atmosphere of camaraderie, learning, and creative expression. The active participation and enthusiasm displayed by students across departments made Tharang 23 V2.0 a memorable and enriching experience for the entire Jyothi Engineering College community. As the echoes of this festivity linger, the college looks forward to building on this success for future editions of Tharang.
