Dear Sir/Madam/Students,

Greetings from Jyothi Engineering College PAT Office!

Please find the attached list of students who have been **shortlisted** in the online assessment and are eligible for the final round of the selection process by **Titan Engineering and Automation Limited (TEAL)**. The details are as follows:

Please note that this time, as per their current requirement, they have shortlisted **Mechanical Engineering** candidates only from all three institutions (including ours) participating in this selection process. The candidates who have taken the online assessment from EEE, MR, and RA streams may have a chance later.

Date: Friday, October 27, 2023

Venue: Rajagiri School of Engineering & Technology

Start Time: 8:30 AM (late entries will not be permitted)

Selection process:

1. Group Discussion
2. Diagram Test
3. Final Technical Interview

Dress Code: Formal

Items to be carried:

1. Two copies of Resume (with photo)
2. Pencil, Pen, Scale, Eraser, and all other stationery as required by students

According to information I received from one of the senior panel members, they will be focusing more on the following important topics in the technical interview:

1. **Pneumatics**
2. **Hydraulics**
3. **Bearings**
4. **GDNT**
5. **DFA**

6. **MAFG Process Design for Manufacturing Assembly**
7. **Jigs & Fixtures**

Best wishes to all the candidates for their success.

Please do not hesitate to contact us for any clarifications in this regard.

Warm Regards,

Bibin Joy
